All proceeds will benefit
The Life Center
at Daniel Payne.

Purchase your copy of the manual at the
Daniel Payne Center or by emailing
office.ninthdistrictame@gmail.com

Please make checks payable to:
Ninth Episcopal District

The Life Center helps to prepare persons for life improvement by providing adult learning/GED classes. In addition to these, we will be able to offer professional and vocational development classes, such as financial literacy, interviewing skills, job application and resume writing, and dressing for success. The Life Center will provide access to skill training opportunities in the construction trades-carpentry, plumbing and electrical. We will also have opportunities for training for CDL drivers, cosmetology, commercial food handling, commercial cleaning, and professional landscaping and lawn maintenance.
